## GARMÓN

*Cosecha 2020*

Eduardo García sources grapes from seven different villages - Anguix, Baños de Valdearados, La Aguilera, Moradillo, Olivares, Tubilla del Lago and Valbuena - to make this superb pan- Ribera blend, which deserves its reputation as one of the region's very best releases. Fresh, elegant and youthful, with fennel and wild herb aromas, lots of zip and acidity and medium structure. Subtle, refined and ethereal. 2025-35
